

Post Office Ground Break Wednesday

Ground was broken yesterday morning in ceremonies starting at 10 o'clock for Sierra Madre's new \$120,000 Post Office building, on S. Baldwin, shortly below Sierra Madre Blvd.

Officiating at the ceremony were Postmaster Charles E. Louk, Mayor W. Webster Vannier, Mrs. Henry N. Wade Sr., president of the Woman's Club; Henry A. Nelson, president of the Kiwanis Club; Joseph Delgatto, representing the Lions Club; John H. Curtis, president of the Chamber of Commerce; Police Chief Gordon A. McMillan, City Administrator Lawrence C. Bevington, and others, including the contractor, Monte D. Healey of 1976 Sepulveda Blvd., Los Angeles.

Clearway for the ground breaking which officials say will be "the most beautiful little post office in Southern California" was effected through razing of the old building on the site of the former Case property the week previous. The new Post Office should be completed in the early fall.

Ah, Flapjacks!

Com'unity Breakfast Saturday

"Flapjacks" for the Kiwanis Community Breakfast Saturday morning are all ready for the mixer. Approximately 100 pounds of ham is ready to slice for the sizzling skillet. If your imagination is good, you can almost hear the coffee "a-perkin" in a dozen pots. Juices are in the refrigerator keeping cold for the hungry hundreds who will turn out for this sixth annual event at City Park.

Some of the Kiwanian chefs will wear their chef hats pulled up to a blunt point as many professionals do. Others will wear them in a swagger "platter" a la the smart French chef noted for his skill in blending aromas to capture any appetite. There will be a special table loaded with antique silver dollars under the direction of Frank Delph, manager of the First Western Bank. Here the breakfast can show his ticket and buy a U.S. dollar for 89 cents.

Kiwanian "Jim" Hall has arranged with most of the stores to accept these dollars as of special value in exchange for merchandise within three days of the breakfast. One merchant is giving \$2.25 worth of goods in exchange for one of these dollars. Other merchants are much in the same category.

Still another special table will be equipped to supply all comers with beautiful copies in color of "An American Creed" for framing.

The entire affair is chair-manned by Emile E. Smith, President Henry A. Nelson will endeavor to keep a scrutinizing eye on everything that is going on.

Rescue Team Conference On Monday

BULLETIN

The meeting of Sheriff Pitchess, administration officers, Lt. Fred L. Lone of the Sierra Madre Search and Rescue Team, and City Administrator Lawrence C. Bevington will be held next Monday at the County Administration offices in Los Angeles, according to word received by Bevington late yesterday.

While the Sierra Madre Search and Rescue Team members awaited a date for a conference in which a settlement will be attempted with Sheriff Peter J. Pitchess over whether the team will continue to function, County Supervisor Warren M. Dorn, 5th District, and John H. Curtis, president of the Sierra Madre Chamber of Commerce, issued stern statements regarding the sheriff's action.

Sheriff Pitchess has notified the team he would appoint a commander from the sheriff's personnel and that hereafter its members would wear deputy sheriff's arm-bands instead of their own patches. The Sierra Madre team refused to accept these orders, preferring their own autonomy under Lt. Fred L. Lone.

Supervisors, meeting last week, ordered the sheriff to confer with county administrative officers, Sierra Madre City Administrator Lawrence C. Bevington and Lt. La Lone on steps to keep the

Lee Shippey Writes On Yesteryears

WELL, the M.D.s and the osteopaths seem to be following the modern urge, "combine and conquer." How many readers can remember when the most popular medical joke was:

"We have Allopaths, Homeopaths and Osteopaths, and all 'paths' lead to the grave." Fifty years ago every big city had at least one homeopathic pharmacy and millions of Americans kept half a dozen standard homeopathic remedies on hand.

The children loved them, for they always tasted like tiny candies though they ran the gamut of standard drugs. We kept some of them on hand 40 years ago and gave them credit for curing many minor ills until we came to Sierra Madre and found good old Dr. Jackson.

YOU NEVER HEAR of allopaths or homeopaths now, only of M.D.s. I support it will be the same with osteopaths and I'm sorry. The well-trained osteopath can relieve pain in many ways beyond anyone who has not had that special training. Some of the ablest M.D.s I have known worked closely with Swedish masseurs to add the benefit of such treatment to the benefits of their medicine.

I know of one case in which massage and manipulation completely restored a polio victim medicines could not help.

And I am afraid that in some cases the place osteopathy now holds will be taken by some other "path" less scientific.

I CAN REMEMBER when most professional baseball games lasted less than two hours. Now the average nine-inning game lasts at least two and one-half hours.

Maybe the reason is that in the old days the games were played by the players, not by the managers. Now the "scientists" call most of the plays, delay the game with "strategy" every time someone needs steady change pitchers and put in pinch hitters in alleged battles of wits, and many a good player never gets a chance to show what he could do under fire.

FOR COMMENTARY on the pitfalls of our times, you can't beat the heart-rending plea of Sardi of restaurant fame to Congress to permit continuance of the charging-off of yacht trips, hunting lodge vacations, hard-to-get theater tickets and entertainment at costly night clubs as business expenses.

Not to permit continuance of them, he pleaded with tears in his voice, would turn New York and Hollywood into depressed areas.

And the suggestion that no more than \$30 a day for entertainment of one person could be charged as business expense made Mr. Sardi lift up his pink hands in holy horror.

EXPENSE ACCOUNTS long have been jokingly called "swindle sheets," but in recent years they have grown

HOT BATTLE WAGED IN SCHOOL BOARD ELECTION ON FRIDAY

EIGHT good reasons — six girls, one boy and the Mrs. — why Comdr. Dayton A. Seiler should garner victory at tomorrow's Pasadena School Board election. Top—Linda, Susie, Shari and Sandy. Bottom—Baby Doodle, Mrs. Seiler, the commander, Diane and David.

Police Greet Suspect Leaving Store Door

A young fellow with thievery in his mind now knows that Sierra Madre police can move into action mighty fast. Shortly after midnight last Saturday morning, Desmond Clyde King, at Police Station, received a phone call from the Welch residence at 385 N. Canyon that someone was breaking into the Roy G. Farmer Market at 444 Sturtevant—at the intersection of that street with Woodland. The store is directly in front of the Welch home.

Sgt. H. A. Christensen and Reserve Officer Alvin Embree, sped to the market. He still was thirsty when placed in a cell at Police Station. SGT. HEASLEY and Reserve Officer Embree employed strategy to trap the young juveniles after Sgt. Christensen and Officer Carnighan carted McKee off to jail.

Quietly they waited. Soon there came a whistle from the boy lookouts. Sgt. Heasley whistled back. A moment later the two youngsters walked into the hands of the police. Detained as juveniles, they later were released.

FOUR MINUTES later, Sgt. Christensen nabbed a 19-year-old youth, giving him his name and address as Charles Walter McKee of 52 W. Mendocino, Altadena, as he broke through a rear screen door of the market. Entrance had been effected by ripping off part of the screen.

So quick was the arrival of the police that the suspect had no time in which to gather booty. He had eight cents in his pocket when arrested.

McKee, charged with burglary, told officers that he had been visiting friends, became thirsty on leaving with two young juveniles, made the latter his lookouts, and to get some beer, broke into

Sierra's New Addition Represents 145 Families

When it is completed, probably in early September, the increase in working personnel occasioned by the new \$365,000 addition to Sierra Engineering Co. plant at 123 E. Montecito, will represent 145 families. Not all of these families will move to Sierra Madre, but many will, as is pointed out by H. L. Daulton, the company's president and chairman of the board, and

this will represent a sizeable increase in the purchasing power in this city.

When the new 60,000 square feet addition is complete, it will boost the company's working personnel to 400, practically doubling it, and increase the payroll to approximately \$2 million a year. Robert E. Gee is the general contractor for the addition, work on which is progressing rapidly.

Whadda Day

Sometimes it's the pesky little gremlins, sometimes it is the typesetters and then again, it is the copy-writers and proofreaders. And when it happens, there is usually more than one such instance.

So we beg pardon to the Boess Market for saying in their weekly ad that "Whole Sun Orange Juice was 5 cans for 59 cents." It should have been "five cans for 95 cents."

Also there was a date line in the Ralph ad reading May 14—should have been June 3.

Boy and Man! What a day!

Roscoe Held For Hearing

Arraigned in Pasadena Municipal Court, Division No. 1, last Friday, John Hudson Roscoe, 58, of 71 Hacienda, Arcadia, and a Sierra Madre real estate dealer, was held for preliminary hearing on June 6 on charges of arson and attempt to defraud an insurance company.

The hearing, to be in the same court, will decide whether Roscoe must go to trial following the fire which on Tuesday, May 16, gutted the two-story house at 165 E. Sierra Madre Blvd., and which he owned. There was \$17,000 insurance on the property which Roscoe had placed for sale at \$27,500.

The complaint was issued by the Los Angeles District Attorney's office following investigation by the County Arson Squad quartered in Temple City.

Roscoe denies the charges.

Automobile Tire Smashes Window

Mrs. L. Brainard of 116 E. Grand View has nothing against automobiles as such, but she does object to having an automobile tire crash through her front window. It happened while she was away the other day. Police are investigating.

10 Candidates Seek Support Of Voters

Voting in tomorrow's School Board election will be at the Sierra Madre and Sierra Mesa schools, from 7 a.m. to 7 p.m.

Voters of Sierra Madre and Hastings Ranch will join with those of Pasadena proper on Friday when they go to the polls to choose three members of the Pasadena Board of Education. There are ten candidates.

The election is of special moment to Sierra Madre in that its Elementary School District will, on July 1, annex to the Pasadena School District. Sierra Madre residents voted overwhelmingly for annexation last October. Sierra Madre students already attend Pasadena junior high and high schools.

The election is also of special interest to both Sierra Madre and Hastings Ranch in that this area has a candidate for the board in Comdr. Dayton A. Seiler, U.S. Navy (Ret.), father of seven children and a resident of 930 Crestview Dr., Hastings Ranch.

TOTAL LIST of candidates are:

Comdr. Dayton Seiler, Mrs. LuVerne LaMotte, incumbent, of 1959 Midlothian Dr., Altadena. Member of board since 1957 and its president last year.

Steve Salsian, 49, incumbent, of 3464 Pasqual Ave., board four years and engaged in retail tire business.

James H. Sibbet, 46, engineer, of 1091 E. Woodbury Rd., Pasadena.

Joseph Matus, 47, general contractor, of 863 N. Hill Ave., Pasadena. Was candidate two years ago.

Laurel V. McElwain, 53, toolmaker, of 171 W. Figueroa St., Altadena. Resident there 18 years.

Leon P. Barreau, 81, language instructor, of 330 Waldo Ave.

Mrs. Mabel Fossler, practical nurse, of 550 N. Los Robles, Pasadena. Graduate from the University of Nebraska.

Robert S. Balogh, 40, accountant, of 3227 Turin Ave., Altadena. Candidate for the State Assembly last year.

Walter T. Shattford II, 46, incumbent, attorney, of 507 E. Washington Blvd., Pasadena. Member of board since 1957.

GENERALLY, reelection is conceded to Mrs. LaMotte and Salsian, while the real fight has developed between Comdr. Seiler and Shattford, both candidates utilizing every possible organizational and promotional strengths.

Whether Seiler can pile up enough margin in Sierra Madre and Hastings Ranch to offset Shattford's natural strength in Pasadena remains to be seen.

A COFFEE HOUR for Candidate Seiler was staged Wednesday at the home of Mrs. Mac A. (Rosa) Cason, 462 Manzanita, Mrs. Cason who directed last fall's successful Republican campaign in this area, said:

"Now that we are a part of a larger school district I feel we should be most careful whom we elect to represent us on the School Board. I believe the people of Sierra Madre are fortunate in having such a loyal and well qualified man as Dayton Seiler running for the Pasadena School Board. I certainly endorse his candidacy."

Dayton Seiler, with LuVerne LaMotte and Steve Salsian, would insure the patriotic protection and undisturbed continuation of the excellent educational program under the direction of Dr. Robert E. Jenkins.

ence in the service of his country to give our schools and Dr. Robert E. Jenkins the patriotic and educational protection so necessary at this time. I heartily urge votes for Dayton A. Seiler, LuVerne LaMotte and Steve Salsian."

J. A. DEWAR of 154 Santa Anita Court, for many years identified with Sierra Madre school and civic affairs, endorses Seiler's candidacy as follows:

"Mr. Seiler has my considered support because he undoubtedly will bring to the Pasadena Board of Education the qualified representation required for continued improvement in the educational programs and the maintenance of our patriotic structure."

"Dayton Seiler can be depended on to give LuVerne LaMotte and Steve Salsian the support and cooperation they need and deserve at this time."

Swim Pool Opened With Large Crowd

Sierra Madre residents in large numbers enjoyed their first swim of the year at the Sierra Madre Pool, this last weekend and Memorial Day. In evidence were the happy season ticket holders who enjoyed this initial swim and are looking forward to many more throughout the season.

Remember, season family and individual tickets for unlimited swims are on sale at the City Hall or Pool during open hours.

PRE-REGISTRATION for swimming instructions will start Monday, June 5, at 1 p.m. at the Pool. Each individual swimming class will be restricted to a maximum of 15 students, along with a half-hour period of instruction each week day.

Myrt Waite will again head the instruction program. Fee: \$3.50 for two weeks class.

Sierra Madre School Girl Wins \$1,000 Scholarship In Bank's Annual Contest

A Sierra Madre girl was one of four Los Angeles County county high school students who won top awards of \$1,000 in the 1961 Bank of America Achievement Awards program.

Jerrell Kraus of 501 N. Grove St., senior at Pasadena High School, was first place. She received her award from Jesse W. Tapp, chairman of the bank's board of directors, at a banquet attended by more than 700 persons last Wednesday night, May 24, at the Statler Hilton Hotel.

A total of 32 outstanding high school seniors shared \$10,000 in cash awards. They were finalists from the county.

Civic leaders judged the winners earlier in the day, observing and judging as the students took part without advance preparation in group discussions of topics related to their studies. The students already had survived weeks of competitions in their own schools and against other schools in their zones, being scored on scholarship, leadership and outside activities.

Banquet speaker was Rev. Herman J. Hauck, regional director and educational coordinator.

Around the Town With Marylyn

By Marylyn Barnes

WITH MEMORIAL DAY behind us (the American flag looked pretty), the homestretch of the school year is here. Those enticing, long, lazy summer days are almost at hand. For mothers it means a last outing—a morning of shopping and a luncheon date before the children are home from school; for dads, the last few days of cool morning fog and brisk evenings before vapor-locks on the freeways, and for the children the last two weeks to rectify or enjoy a year of play or work.

FLASH! After a pleasant luncheon of shrimp cocktails, cold-cuts, apple pie and coffee, the news was out. The Civic Club Bowling League's "Cutter Belles" won first prize. Laverne Good-fellow won first prize for high game, and Robbie Rambeau for high series. The luncheon was held at Bahama Inn; and the year's bowling was a thorough success. Ruth Barden wishes to

thank everyone who participated.

LAST SATURDAY night the "Pot Luck Group" met at the home of Bert and Marian Menne. This group has been meeting every month for more than a year, and comprises June and George Fleming, Betty and Ross Blakeley, Maureen and Gene Bell, Vic and Grace Calde-rello, Ruth and John Eng-ler and the Mennes.

If anyone is celebrating a birthday or an anniversary the evening is particularly festive. Saturday the Mennes commemorated their 19th wedding anniversary, and as a surprise Virginia Wine-gardner brought a birthday cake for Bert who recently celebrated his birthday anniversary.

THE PTA Cartoon Carnival held at Sierra Madre School was a complete success. All the hamburgers were gone by 3:30. What better criterion is there. The kids all had a wonderful time.

RUTH AND JOE BARDEN and their three children, Elaine and John Nelson and their three, and Frank Bradley spent last weekend at Estero Beach, just south of Ensenada, Mexico. Ruth reports it is a marvelous swimming beach for children, good fishing (the kids even caught some), and as an extra added attraction there

Civic Club Bridge Playoff on June 8

All scores from previously played games are due by June 5, according to Mrs. Ted Velasquez, tournament chairman, if they are to qualify for the playoff.

is horseback riding on the beach. So if you happened to see Ruth limping around town, it wasn't a slipped disc, it was horseback riding on Estero Beach.

A BRAND NEW book store, "The Patriot," has opened on First Ave in Arcadia. This answers a real need for our area, so drop in and have a look around.

THE BLOOD BANK will be in Sierra Madre on June 19, so start eating good red meat now. Everyone eligible to give, should do so. More about this later.

MISS LOUISA SHIPPEY, long a Sierra Madre resident but now residing at Little Flower Haven, La Mesa, is 90 years old tomorrow and over the weekend will be honored at the home of her niece, Mrs. Robert E. Thomas, in San Diego.

At the Sierra Madre Clubhouse on May 24, Mrs. Henry N. Wade Sr., her officers and board of the Woman's Club for the coming club year were installed by Past President Miss Clara Sykes and received her gavel from retiring President Mrs. E. W. Beutler. Those installed were:

It was a pink and white tea, gay with floral arrangements, candles of pink and orchids for the ladies—those who had earned them, those about to be tried—all decked in gay bright colors of spring.

SPRING—off with the old, on with the new, and reports of the departing awed and inspired the incoming board with the record-breaking amount of money earned during the year—and how well it had been expended on club maintenance. These included gifts and charities for city and county—the 650 meals served within the homey hospitable building. Also revenues (and man-hours spent) from the Thrift Shop, the creative awards won by members from the Federation—Mrs. Arthur Maricq for her oil paintings and Mrs. Albert S. Myers for her original poetry.

A MUSICAL program followed arranged by Mrs. Glenn Oliver—of spring gay

WHILE TONI MAURIN is gaily touring the Continent, I'll take advantage of her column space to write about one of my favorite subjects—the early history of our hill!

This may be of interest to some of our newcomers. If some of the dates I quote do not agree with those of other "historians" it's probably due to the numerous conflicting data I scrutinized at the public library.

One particular piece, a 1946 or 1947 issue of the California Historical Society, dealt with the early history of the Sierra Madre Villa Hotel, which I read two years ago, and is now missing from library files. The story as I know it, from various accounts is this:

WILLIAM PORTER RHOADES, an Englishman, arrived at San Pedro harbor in 1871, settled his family at the Pico Hotel in Los Angeles and then set out to buy land on which to build a "plantation." It is reported he purchased the entire "hill," or about 500 acres from Don Benito Wilson for \$5 an acre, declaring he would make his plantation the showplace of Southern California.

Shortly thereafter, Mr. Wilson and Mr. Rhoades and several hundred Chinese laborers built a sawmill atop Mount Wilson, chopped down native redwood timber, (yes, that's what the book says); cut it into lumber and brought it down by burro.

A large and stately home and other ranch buildings were built on what is now known as Old House Rd. Mrs. Rhoades directed the landscaping of the immediate grounds, while her husband managed the plantation.

A Los Angeles paper of 1876 noted that Mr. Rhoades shipped 2,000 limes to San Francisco, and was paid the "fine price of two cents apiece." Shipments were made by steamer until 1879, when the rail pass over the Tehachapi was completed.

The large and lovely home could be seen for many miles.

DURING the mid-70s, people drove out from Los Angeles by carriage, and often asked for lodging. And so it was, that while Pasadena was not yet in existence, Mrs. Rhoades added 50 rooms and called it the Sierra Madre Villa Hotel.

Among the many famous names on the guest register were Gens. U. S. Grant and William T. Sherman. Also Helen Hunt Jackson, Mark Hopkins, John Burroughs and the Huntington family. Abbott Kinney also visited at the hotel and later bought land calling it "Kinneyloa."

A Los Angeles firm, Raymond and Whitcomb, advertised excursion parties, known as the "Grand Round." Guests traveled by tallies, hacks and buggies, stopping over at the Rhoades hostelry. Sometimes as many as 400 in one day for luncheon.

The Villa was famous for its lavish table, with wild game a specialty. The rest of the tour consisted of stops at the Chapman cattle ranch (Chapman Woods) and the Rose winery, (Rosemead).

By the late 80s, the Raymond Hill Hotel in Pasadena was in its heyday, and the Villa hotel became a health resort, and in 1920 was destroyed by fire.

One of the hotel buildings still remains, a reminder of the colorful history of "our hill." I refer of course, to the delightfully charming Red Robin Farm on Old House Rd., now owned by the Charles Henevelds.

Mr. Rhoades' son noted in his writings, that his father was approached by many who wanted to purchase land from him. Obviously, they too were impressed by the splendid clear panoramic view of the San Gabriel Valley, the harbor and Catalina Island.

However, his son reports that his father was reluctant to sell more than a few parcels, and these limited to two acres each.

Still standing today, and sturdy so, are five homes built largely of redwood, around 1873 to 1876. Proud owners of these are the Switzers, Bergs and Saurenman all of Vosburg St., and the Stollers on Barhite and the Wengers on Sierra Madre Villa.

I might add, that at the time we acquired our home, a title search produced an old hand-written document dated 1873. Although the hotel has long since passed from the scene, I'm sure there are many who would agree with me, that Mr. Rhoades' fond dream of establishing a place of beauty, has indeed come true!

AND NOW, to social chit-chat of June 1, 1961.

On Monday evening Mr. and Mrs. Harold Berg dined with Dr. and Mrs. Dale Hurley. Returning to their Vosburg home to show the Hurleys the progress they're making in redecorating their new home, the Bergs found nine couples greeting them at a surprise housewarming!

Adding their approval to the charming restoration of the Victorian home were Messrs. and Mmes. Rod Pederson, Axel Lundring, Hank Culbertson, Arnold Huss, Robert Huss, Arvid Crump and Phil Birkhahn. Also, Drs. and Mmes. Howard Owen, and James Fox.

JAN PRICE of Sierra Madre Villa, will head for Stanford University's overseas campus at Florence, Italy next fall. Meanwhile, she'll spend the summer at Laguna Beach with her family. By

Rummage is still welcome. Anyone wanting to donate items can call Mrs. Johnson at HL. 6-5770 or leave it at her home at 1930 South Santa Anita Ave., or call Mrs. James Spurlock of 1075 Singing Wood Dr., Santa Anita Oaks at ELgin 5-6154.

Camp Fire Girls Gain New Rank

The Icanmoka Camp Fire Girls of the 5th grade at Highland Oaks School received their Trail Seekers rank at the Grand Council Fire, May 28, at the Arcadia High School. They were Marilyn Coombes, Linda Curry, Denise Gea George, Carol Goldfarb, Connie Phillips, Virginia Platt, Anne Scotty, Karen Williams and Jamie Wilson.

The group made their final requirements for passing the first rank in Camp Fire Trail Seekers by going on a two-mile pack lunch hike to the West Fork of the San Gabriel River and on to Bear Creek. Mrs. Craig Williams, guardian, and Mrs. Donald George, with their husbands, took the girls on this outing.

Speed Duel At Hollywood

The fifth running of the \$25,000 added Hollywood Express at Hollywood Park next Saturday will feature resumption of the speed duels between Mrs. Helen Kenaston's Revel and Mr. and Mrs. Steve Elmore's Henrigan.

The Hollywood Express is one of the country's few stakes for older horses run at less than six furlongs, and this year's renewal may mark the victory in the 5½ furlong dash of a California-bred horse for a change.

Florida-owned horses have hogged the act the past two renewals. Mrs. Tilyou Christy's Liberal Lady was victorious last year, and Alhambra was the winner for Fred W. Hooper in 1959. Both owners are Miamians.

Both Revel and Henrigan

are California-bred thoroughbreds, and they have taken turns at beating one another, although Revel holds the edge.

LEGAL NOTICE NOTICE IS HEREBY GIVEN pursuant to the provisions of the Code of the City of Sierra Madre, Section 862, that the Planning Commission of the City of Sierra Madre has fixed Thursday, June 15, 1961, at the hour of 8:00 o'clock P.M. in the Council Chambers of the City Hall, 35 West Sierra Madre Blvd., Sierra Madre, California, as the time and place for holding a public hearing on a proposed variance to create the following: Two parcels described as follows: Parcel A—Northernly 114.65 ft. of the Southernly 220.65 feet of Lot 16, Piedmont Heights Tract, and a portion of Lot 17, Piedmont Heights Tract. Further described as 201 W. Carter Ave. These parcels are proposed to be created under a variance because of the nonconforming residence located on Parcel A, and a requested variance for a Front yard setback of 18 ft. on Parcel B. Application and plans are on file in the office of the Secretary of the Planning Commission. The proposed variance is based upon the grounds that there are special circumstances attached to said property which generally do not apply to other properties in the same district and vicinity, and that the granting of a variance as aforesaid will not result in a material damage or prejudice to other property nor be detrimental to the public welfare or injurious to persons in the vicinity thereof, in that the proposed variance, if granted, would be subject to such conditions as the Planning Commission may deem necessary to assure that the spirit and purpose of said City Zoning Code will be observed, public welfare and safety secured, and substantial justice done to all parties. Dated: May 26, 1961. BY ORDER OF THE PLANNING COMMISSION. BEATRICE L. THOMPSON, Secretary. Publish June 1, 1961.

to cover a multitude of sins, ranging from petty bribery to illicit love nests. Lavish professional entertainers habitually live on their expense accounts, banking practically all of their salaries, and in many cases their employers shrug that off—simply because they don't have to pay income tax on what is written off as business expense.

Thus Uncle Sam is cheated of millions which we consumers have to make up, as well as having to pay higher prices for goods such business expenses compel their employers to charge.

Rescue Team Awaits

team and its rescue work intact.

DETAILING the aims of such a conference, Supervisor Dorn said:

"It is vital that these aims be met not only to offset the current publicity which has come about as a result of the current disagreement but principally to maintain

at full strength a well-equipped and well-trained group of men who can move speedily in the areas of the mountains with as little bureaucratic restraint as possible."

C. OF C. PRESIDENT CURTIS, in his statement, said:

"The people of Sierra Madre are shocked beyond belief at the action of the sheriff's office in its suddenly assumed dictatorial

attitude toward the Sierra Madre Search and Rescue Team.

"This group of self-sacrificing men, over the past ten years, have made 379 rescues—in all kinds of weather, in daytime and at night, from many sections of the most dangerous mountain terrain imaginable.

"We do ask that this team of courageous men be allowed to continue their work of rescue and life-saving and not be interfered with by the sheriff's office which should be most grateful to them for their valiant and wholly volunteer services (team members receive no pay)."

Some folks are willing to forgive and forget if the price is right.

We Recommend:

For election to the Pasadena District Board of Education, at the voting next Tuesday, June 6, this newspaper recommends that the voters choose these three candidates:

- 1—COMDR. DAYTON SEILER, United States Navy (Ret), a Hastings Ranch resident, father of seven children and a dedicated American.
- 2—MRS. LU VERNE LA MOTTE, incumbent, who has proved herself dedicated to the best interests of our public schools and who also is a dedicated American.
- 3—STEVE SALISIAN, incumbent, who has shown conclusively that he is devoted to the genuine advancement of education and who has no taint of un-Americanism in his makeup.

THESE ARE TIMES when our school systems and colleges have been under fire—some justly so—for their inability or lack of determination to make Americanism a part of their curriculums.

These are times when the stigma of Un-Americanism, justly or unjustly, has been attached to some of our schools. For instance, some persons facetiously refer to Caltech as "CalCommie." We question the rightfulness of this appellation, but we do know that there is a hard core of Communists, Pinkos and fellow-travelers who are laboring with all their might—and deceitful tactics—to defeat Comdr. Seiler because he stands forthright in the battle against Communism and all the Godlessness that it implies.

It is for this reason that we support Comdr. Seiler, Mrs. LaMotte and Steven Salisian.

They constitute an All-American Trio.

The Sheriff and Our Hardy Mountain Men

At times, officialdom, in its bureaucratic effrontery, can be so completely unwise—and foolish.

Sheriff Peter Pitchess is the victim of such self-misdirection in his hastily handling of the Sierra Madre Search and Rescue Team situation.

In an effort to aggrandize to himself all the credit for the favorable—often statewide and national—publicity accorded the men of the rugged mountains under Lt. Fred La Lone, its organizer and commander these ten years, justly so, Sheriff Pitchess attempted to seize control, through appointment of his own commanders, of the five rescue units, and to strip these hardy men of their own insignia, substituting a uniform sleeve patch instead. The sheriff stirred up a hornet's nest and found himself out on a limb—far, far out.

Now, he'd better crawl back on that limb—but fast.

HE HAS ALREADY lost hundreds, even thousands of supporters in the area and for a man who, reports have it, would like to run for Governor of California on the Republican ticket, has acted precipitately and most impolitely. Embryo candidates for Governor cannot afford to make enemies—by the carload.

Sheriff Pitchess has done just that. He'd claim, of course, that it was all in the line of duty. Balderdash and poppycock!

If he's smart, and we hope that he is, he'll promptly acknowledge his mistake, restore the mountain Sierra Madre Search and Rescue Team to their former status and collect friends and supporters instead of alienating them. That would go a long way toward making him gubernatorial material. Otherwise not.

A Couple of 'Toughies'

If there is an R-1 zone in this city where property owners wish to remain in that classification and thus retain for their city a spot presenting home-like beauty, it should remain that way.

Likewise, if a man wishes to build an addition to the rear of his property he should be entitled to do as long as he conforms to the building code provisions governing the front of his property and building construction rules.

There are two instances of this kind before the Sierra Madre City Council and most careful thought should be given to each.

One is the Yarnell property at the northeast intersection of E. Sierra Madre Blvd. and N. Mountain Trail where the owner, only recently resigned from the City Planning Commission, seeks an R-3 zoning so that he can sell the property for rest home purposes.

The other is the proposed amendment to Section 9539 of the code asking conforming use of a non-conforming building. This is a recent recommendation that the code be changed regarding structural alterations on buildings that are supposedly non-conforming by reason of their yards.

SOME TEN PROPERTY OWNERS, appearing at the Council meeting a week ago last Tuesday night, opposed Yarnell's plea for a R-3 zoning of his property.

That and the fact that they presented a preponderance of valid fact against it should be sufficient for Council to deny Yarnell's petition and to overrule the Planning Commission's recommendation that it be granted.

The fact that Yarnell only recently sat on the commission is a factor regardless of the fact that in this situation he acts above-board and in what he considers he has a justifiable self-interest.

IN THE PROPOSED amendment to the code as regards non-conforming buildings, we have two beliefs:

1—That any such ordinance is unconstitutional and would not stand up in the courts.

2—That a property owner has the right to build an addition to his property if he conforms to the code's setback provision as regards the front yard and to the city building code construction rules.

We believe Mayor W. Webster Vannier was wise in his urging that this proposed code change be studied further before it is voted on.

The purpose which we believe is elimination of a lot of eyesore buildings in the Canyon is laudable, but care should be exercised to make certain legitimate home im-

News of the Churches

Installation Of Officers At Ascension

The women of the Church of the Ascension will meet Wednesday, June 7, at 9:15 a.m. for mass and Corporate Communion, followed by installation of officers for the coming year. Breakfast will follow the Mass and installation, and will be served in Parish Hall.

Following the breakfast, Rev. Harley G. Smith, Jr., will show slides of "The Divine Liturgy," the Greek Orthodox Holy Communion ritual, taken at St. Sophia's Cathedral, Los Angeles. These slides will show the entire Greek Orthodox service, and the many interesting facets of the service will be explained by Father Smith.

Officers to be installed are: President, Mrs. Austin Munger; vice president, Mrs. Gustav Peterson; secretary, Mrs. Robert Rence; treasurer, Mrs. Edward Drabek.

COMMITTEE chairmen who will form the Board of the Women of the Church are:

Christian Education, Mrs. James Felton; kitchen maintenance, Mrs. John Watkins; public relations, Mrs. William de Prosser; missionary supply, Mrs. Gustav Peterson; devotions, Mrs. Carl Siemon; United Thank Offering, Mrs. Otto Lord; United Churchwomen, Mrs. William Keith; Altar Guild, Mrs. Kenneth Rickard.

A special workshop and discussion group will be held Tuesday, June 6, at St. Mark's Church, 14646 Sherman Way, Van Nuys, beginning with Holy Communion at 9:30 a.m. and closing with prayers at 2 p.m.

This meeting should prove especially interesting to all churchwomen in that St. Mark's Church has been chosen by the bishop as one of the pilot churches where the Eucharist is being celebrated in accordance with the Liturgical revisions as proposed by the Standing Liturgical Commission of the Episcopal Church.

THE REASON for the revisions in the Liturgy is more active participation by the laity. The Elements, that is, the Bread and Wine, are brought to the altar from the back of the church by lay members.

Other revisions include the congregation's joining in the Prayer of Humble Access just before the Communion, as well as the Trunksgiving following the Communion. The priest will face the congregation, and celebrate the Holy Communion from behind the Altar, instead of before the Altar.

Following the mass there will be a period of information and talks. Rev. William Light of the Diocesan and Christian Education will be present to participate in the discussion. The meaning of the changes in the liturgy will be explained as the service progresses.

The women are asked to bring their own lunches; beverages will be provided. For further information and reservations, call Mrs. Austin Munger, ELgin 5-3697.

Church Will Be Improved

One of the features of the Diamond Jubilee at the Congregational Church will be a refurbishing of the church plant, through special Jubilee Gifts. Improvements totalling \$7,000 have been planned by the special gifts committee, with approval of the Board of Trustees.

Included are redecorating of Campbell Chapel, with provision for pews, rug, and new chancel furniture; new lighting and carpeting for the sanctuary; new carpeting for the south transept; and modern heaters for the church school rooms.

Funds will be provided by special gifts from the congregation to the Jubilee Anniversary Fund. Many of the gifts are expected to be of a memorial nature.

provement is not handicapped or hamstrung.

INCIDENTALLY, this newspaper believes also that the Council, through its representative on the Planning Commission, Councilman Lorraine W. Lisle, should pay more attention to the Commission.

Some of its decisions and recommendations haven't been up to par by any means. Aside from Mrs. Wright, we do not believe that most of its members pay the necessary pre-meeting attention to properties involved in proposed changes coming before it.

This, incidentally, is something its chairman, Frank R. Parks, should see is done.

PHYSICIANS & DENTISTS SUPPORTING DAYTON A. SEILER

FOR PASADENA BOARD OF EDUCATION

JOSEPH J. ENGHOLM, D.D.S.,

Recipient of the Distinguished Service Award of the Pasadena Education Association, and the Human Relations Award by B'nai B'rith, and is an Honorary Life Member of the California Congress of Parents and Teachers.

SAYS:

"I am for Dayton Seiler because he has proven himself to be a fine Christian gentleman. This is important because the moral and ethical precepts in Christianity demand the embracing of all people as brothers and recognizing other faiths with a common understanding and mutual respect. Dayton Seiler has definitely shown that while he censures no one for participation in such organizations as the American Civil Liberties Union, he is more interested in working to build civil responsibility. Economy commensurate with quality in our schools is a goal Dayton Seiler and I hold in common."

Nebraska Girl Finds Arcadia-Sent Balloon

During Arcadia Lumber's recent Home Fair For Better Living May 4, 5 and 6, it gave away small gas-filled balloons with the company's name printed on one side.

Last week, the Arcadia company received the following self-explanatory letter from 12-year-old Nancy Eden at Hildreth, Nebraska, some 1,500 miles away:

"Last night while I was riding after the cattle I found this balloon lying on the ground. It was still half full of air and I read your address on it."

"Wondering if maybe it was dropped out of a plane, or if maybe you might have distributed the balloons around some place."

"Thought I would write you and see about it." Nancy found the balloon on May 11 — evidently on a tail-wind it has travelled the 1,500 miles in seven days, at the outside.

Arcadia Lumber is sending Nancy a gold pen engraved with her name.
